

WOUND CARE CENTER

Specialized Wound Care

As a comprehensive wound center, we treat all wounds but specialize in those that have become difficult to heal.

Our approach to wound healing is aggressive and comprehensive, coordinating traditional and advanced therapies that aid and accelerate the healing process.

Our center is staffed by clinicians with advanced training in wound care.

We treat all wounds including, but not limited to:

- Foot or leg wound or ulcers, including diabetic foot ulcers and venous ulcers
- Pressure ulcers
- Non-healing surgical wounds
- Compromised skin grafts or surgical flaps
- ANY break in the skin
